Economic operators should note that this estimated value is based on Hyde's current anticipated requirements. This value may increase in the event that the Group acquires additional development units during the term of the Framework, whether obtained through a merger or acquisition or as part of a joint venture arrangement, and requires the services covered by the Framework to be performed. In addition, other Social Housing Providers in the UK (both those that are in existence now and those that may come into existence during the term of the Framework Agreement) may also be entitled to call-off contracts under the Framework Agreement. "Social Housing Provider" for this purpose means any provider of social housing and includes Registered Providers (as listed on the Tenant Services Authority Website: www.tenantservicesauthority.org), Local Authorities and ALMOs. Applicants should note that, under the Framework Agreement, no organisation that is entitled to call-off shall be under any obligation to do so neither does the Social Housing Provider in question have the automatic right to do so without permission from The Hyde Group.
